

CORPORATE MEMBERSHIP

FAO Sports & Social Convenor,

Let me first introduce you to the Club. Aberdeen Squash Racquets Club is a member owned Club run by a committee who in turn appoint a manager. The Club was founded in 1913 and has been situated in its current location in Mannofield for almost forty years now. Almost a century on, ASRC continues to offer a high standard of sports and social facilities to both members and non-members and as such remains the premier squash club in the city. Evidence of this lies with a title we proudly boast. In September 2009 ASRC won the **European Club Championships**, becoming the first Scottish Club to do so in the process. We are also proud to be current North-east and Scottish National Champions.

A member of the Scottish Squash Association, the Club has 7 high quality squash courts, fitness facilities, a well established Mini-League system catering for over 200 players of all ages and abilities, coaching, club nights, and a fully stocked bar and an attractive multi purpose function suite/conference room.

Squash is a hugely energetic and popular game. Forbes Magazine, a prestigious and highly respected source, has even rated it as the "healthiest sport in the world" - http://www.forbes.com/2003/09/30/cx_ns_1001featslide.html?thisSpeed=20000. A thirty-minute game can be compared only to sixty minutes of mind torture in the gym. With many of us only breaking for lunch for sixty minutes, the gym simply is not an option. Travel to and from our west-end location, a game and a shower can however be achieved in this sixty minutes.

I have been in charge of this great Club since July 2008 and am now in a position whereby I can begin to offer exclusive membership rates to companies like yours. We already boast corporate members including Baker Hughes, Conoco Philips, Exxon Mobil, Scottish and Newcastle Brewers and Talisman to name but a few, and here is your chance to join in on the fun.
