How to Find a Member?

If you want to find a member, and access their contact information to arrange a match there is a 'Find a Member' feature that allows all members to access their contact details. Select 'Find a Member' from the 'About Us' menu on the home page.

Simply type the Surname of the member in the search box, and then click on the correct name that appears on the list. Their contact details will be displayed on the right hand side of the page.
